

TROOP 248 / CREW 2248
E-MAIL PERMISSION SLIP

To promote communication, Troop 248 / Crew 2248 has instituted a broadcast e-mail system. The system is a one-way communication line in which e-mail can only be sent by the senior leadership of the Troop & Crew. The names and e-mail addresses of those on the list are not visible to the recipients nor are they distributed.

As e-mail is a primary form of communication, Adults and Scouts are encouraged to become a part of the distribution list. Adults may join the list by sending an e-mail to the committeechair@bsatroop248.org or scoutmaster@bsatroop248.org or by completing the form below. Scouts may only join the list by having a parent complete the form below. Return the completed form to either the Scoutmaster or Committee Chair. When completing the form consider which level you would like your e-mail address shared with others and enter the number 1 – 4 as follows:

1. You may publish my e-mail address to the entire Troop/Crew
2. Please only allow Trek Leaders & Senior Troop/Crew Leadership access to my e-mail address
3. Please only allow Senior Troop/Crew Leadership access to my e-mail address
4. I only want the broadcast e-mails and don't want my address used in any other way

If no number is selected, your level will automatically be set to level 3. Please note that NO e-mail address will be published to the web and/or newsletter without expressed permission. **Youth are not being considered at this time** and will not have access to any lists. Youth will be automatically set and remain at level 3 until a need arises and will be addressed at that time.

Requests to be removed from the list may be made by e-mail or in writing.

Users of these lists are strongly encouraged to use these e-mail addresses with caution. We all receive too much SPAM and these e-mail addresses should only be used for Troop/Crew business unless the owner of the address grants specific permission. That is, please don't send Internet e-mail forwards along without permission. Often times, these e-mails are not desired.
